

Keema curry made with Blue Marlin from Zamami

Zamami Island is located in the center of the Kerama Islands, about 40km west from Naha city, Okinawa prefecture.

This island is famous for world's clearest ocean, known as "Kerama blue".

It fascinates many visitors and beautiful island that can be called a treasure of Japan.

However, the number of restaurants on Zamami Island is not enough for the number of tourists, then some tourists face the problem of not being able to find a meal during the tourist season.

Mr. Maeda Naoto who runs a marine leisure business and traditional Japanese hotel in Zamami, determined to solve this problem by producing original products which is trying to use Blue Marlin from Zamami effectively.

And Mr. Miyasato Yuji is providing the best Blue Marlin to Mr. Maeda. He is called the "King of Blue Marlin" and a long-time fishing buddy of our CEO.

By such a wonderful coincidence, we are pleased to announce that we are now selling "Blue Marlin Keema Curry from Zamami".

This keema curry contains a lot of Blue Marlin minced meat and 20 different herbs and spices blend originally.

If you try eating it once, you will become addicted.

Please contact us if you want to feel Okinawa with a locally produced and consumed fish keema curry.

We are selling this products overseas also.
